Notwithstanding anything to the contrary of this rule, all semi-finals shall be continued at a time and date to be fixed by the Committee until a result has been reached.
  - c. In the event of teams being equal on points for a win on completion of the home and away matches, their position on the premiership list shall be determined by the percentage of rubbers for and against for all rubber matches, and if the percentage of rubbers is equal then the percentage of sets for and against shall decide, and if the percentage of rubbers and sets is equal then the percentage of games for and against shall decide, and for all other teams the percentage of games.

The home club must retain the scoresheets until after the grand final. For clubs without Internet access, the result of the match set out on the prescribed form shall be forwarded by the home team to the appropriate Record Secretary, and shall reach him or her within three business days of the fixture. If the Record Secretary has not received the scoresheet within two weeks of the scheduled match, all points will be awarded to the visiting team.

An approved substitute shall be allowed to take the place of any player who is prevented through illness or injury sustained during play, in a match provided that such substitute shall not take the place of any player in a set that has commenced. Such substitute shall be in attendance within 30 minutes.

b. Injury time allowed during any match shall not be more than 10 minutes.

16. Any team making default by failing to play any three matches without good and sufficient cause, to be judged by the Executive, or any Club having been disqualified by the Executive, shall be deemed to have retired from the competition, and all points or scores for or against any Club deemed to have retired from the competitions, shall be deleted from the records.
