Phone

Outside Location

Team Notes

You can resize the dialog box and the **Outside Location & Team Notes** fields.

Colour is used if you are entering two teams for the same section.

Preferred Start Time Blank or Late for Junior teams
The **Contact** and **Phone** number are for contact details for the Senior team.

If you want this team to be based at an **Outside Location**, please enter the details.

Team Notes you to add any information about this team to assist in Grading, or to list your Special fixturing requests.

Once you click **Submit** that team is entered, and the dialog stays in view, ready of the next team to be added.

Team Entries								
Id	Section	Colour	Captain	Phone	Outside Location	Team Notes	P#	
1	Open S/D 1	Green	Bruce	xxxx xxxx		play home with Rubber 3	0	

Add Players to a Team

Once you Add a Team, you can then select that Team (highlighted in Yellow), then add either existing club players (previously played) or add a new Player. You must pair the new player to an existing similar ability player, to assist with team Grading.

Select a Competition: Girls

Add existing Club Player to Team: _____

Order of Ability:

Players for: GIRLS 2						
Id	OoA	Player Name	G	DoB	Comments	Prior Result

Adding an existing Club Player

The players from the last two seasons, are available for selection.

If you start typing the surname of the player, all the players that match are displayed, and you then pick the player.

Important for Juniors: If the player's name does not include a DoB and Age, then you must edit the player when it is in the team and add the Date of Birth

Add existing Club Player to Team: _____

Order of Ability:

Order of Ability is either 1...9 for Boys and Girls, or blank for Mixed or *E* – Emergency player for this team.

There is room for an optional comment you want to tell the Grading committee about that player.

Add existing Club Player to Team: _____

Order of Ability:

Then click the **Add to Team** button to add the player to the Team.

Add a New Club Player

Click the **Add New Player to Team** and the following dialog is displayed, It is recommended you work out the Order of your players before adding them to the team, as the system only allows one player per Order of Ability.

Add New Player
✕

Required Fields marked with *

Order of Ability * v

Name *

Gender *

DoB *

Similar Ability *

Comments *

You must select an existing player that is of similar standard to this new player (to assist with Grading the Team).

Players for Junior teams **must** have a correct Date of Birth.

If there is no player of a similar standard enter ***NA*** and be sure to add a comment with grading information.

Edit or Delete player from a Team.

You can use the Edit function to correct the **spelling** of the player's name or correct their Date of Birth.

DO Not use this function to change the name of the player, but you can correct spelling mistakes! If you have selected the wrong player, **Delete** the player, then **add** the correct player.

Important: If the player's name does not include a DoB and Age, then you must edit the player when it is in the team and add the Date of Birth

Players for: GIRLS 2						
Id	OoA	Player Name	G	DoB	Comments	Prior Result
14527	2	Mohammed Fadli, Alysa	F	2008-11-24		Autumn 2020 GIRLS 8 M=3 PP=4.0 L=4 P=35.0 100%, GIRLS 5 M=1 PP=4.0 L=5 P=32.0 78%

View 1 - 1 of 1

The Prior Results lists the last Season, and the section played, with the following details

M= Matches played

G=, SG= Game or Single Game percentage

PP= the average position played

L= Ladder position of the Team, with suffix P=Premier, r=Runner up

P= Points the Team had

% Percentage the Team had, Games Won/Games Lost

Review the Teams/Players
